PEOPLE'S CHOICE AWARDS – BROOMFIELD COUNTY GOLD

## Best Retirement Community The Avenues Crofton Park

The Avenues Crofton Park Apartments, established in 2014, offers a unique take on retirement living in Broomfield, winning accolades for its innovative “senior boutique living.” The community, according to Property Manager Corné Lewis, prides itself on delivering top-notch service and tailored amenities to its residents. The Avenues focuses on “Communicate, Coordinate, and Connect,” ensuring a highly personalized and engaged living experience for retirees who desire an active, independent lifestyle. “We offer 14 different floor plans to suit our residents’ diverse needs, from one-bedroom apartments to three-bedroom, three-bathroom cottages,” says Corné. Popular community features include well-tended gardening plots, a variety of social clubs, and common areas designed for relaxation and recreation. In-house activities like Zumba and Thai Chi are complemented by the community’s prime location near walking trails, golf courses, and the Paul Derda Recreation Center. Corné appreciates the active, health-conscious spirit of Broomfield County. “Our philosophy aligns with the community’s focus on physical and mental well-being, making this the ideal environment for our residents,” she concludes.
